PEOPLE IN THE NEWS

Letter from the President

Dear Alumni and Friends,

It's hard to believe, but in a short few weeks, it will be a year since my term began. It has been a pleasure working with our current Officers, Board, Association members, and individuals within the school district.

Here are just a few highlights of our successes this past year:

- In late March, we were certified by the IRS as a 501(c)(3) charitable organization. Your Alumni Association donations are now tax-deductible! A summary of our journey is outlined on page 4.
- Our Vietnam Memorial committee continues to make progress toward building our third monument in the Memorial Gardens. The committee has engaged our STHS art students to design the memorial. I hope you had an opportunity to view the photographs on pennlive.com and the corresponding article published in the Patriot-News on Tuesday, May 13, 2014.
- We had our first Pancake Breakfast fundraiser. **Special Thanks to our Fundraising Chair Tammi Hammaker!** The breakfast supplemented our Scholarship Fund. Look for more in the near future. Come out and join the fun and help us support our students.
- On May 13, we awarded \$500 Scholarships to seniors Stephen Morris and Tanner Turner-Rush. Steve and Tanner are highlighted in this edition's *Spotlight*.

There have been challenges! Our school district has had, and continues to have, some difficult days. I know how much it has affected our entire ST family. Even with these challenges, the many accomplishments should make us proud and remind us what makes Susquehanna Township special.

Our alma mater will be looking to us alumni more than ever to help it get back on track. I know we have the capacity to reach out in a positive manner and lend a hand when called. *Together* we can make a difference!

As we approach Memorial Day, I'd like to extend THANKS to our veterans for their service.

Go Indians!

Janice Rotenberg '78, along with her two writing partners, released a revision to their bestseller "*Sensational Kids: Hope and Help for Children with Sensory Processing Disorder (SPD)*" earlier this month. Another STHS grad, author/illustrator Marla Roth-Fisch '80, is included in the Acknowledgements section of the book. Now in its fourteenth printing, with more than 50,000 copies sold in all formats, it is an authoritative and practical guide to understanding and treating this little-understood condition. Look for it on Amazon!

Adam Resnick '78, was a guest on the April 30 broadcast of *The Late Show with David Letterman* discussing his new book "*WILL NOT ATTEND, Lively Stories of Detachment and Isolation*". Adam was the co-creator and writer for *Get A Life* with Chris Elliott. He also was co-executive producer of one season of HBO's *The Larry Sanders Show*. In 1994 he again teamed with Chris Elliott for the motion picture *Cabin Boy*. In 2000, Adam wrote the film *Lucky Numbers* starring John Travolta and Lisa Kudrow. Then in 2002, he wrote the Edward Norton film, *Death to Smoochy*, which was directed by Danny DeVito. Adam also created and wrote the HBO television series *The High Life*.

We are pleased to award our 2nd Annual Alumni Scholarships to **Stephen Morris '14** and **Tanner Turner-Rush '14**. The scholarships were presented to both recipients at the May 13 Senior Athletic and Academic Awards Ceremony. **Stephen**, a son of Michael and Rosemary Morris, and **Tanner**, the daughter of Vincent Turner and Michele Rush, exemplify the School and Community Service ideals the association had in mind when the scholarship was established in 2013.

Pictured L-R Dwayne DeFoor, Tanner Turner-Rush, Stephen Morris, and Shirley Kannegieser

Stephen volunteers at the St. Patrick's Cathedral Food Kitchen and the Central PA Food Bank. He is a member of the youth group at St. Margaret Mary Alacocque, a referee and a coach for the Susquehanna Soccer Club. He is an active supporter of the Four Diamonds Foundation and a committee chair of STHS' Mini-THON fundraiser. A member of the National Honor Society, Stephen is ranked 18th in his class of 240. Stephen has been in the Art Club for four years where had painted several murals for the 2014 musical *Shrek*. He is also on the Alumni Association's Vietnam Memorial art design team. He will attend HACC before transferring to Penn State. Did we mention he was voted *Most School Spirited???*

Tanner, volunteers with the Special Olympics, Breast Cancer Awareness walks, and assisted with summer basketball camps from 2009 to 2012. She was President of the Math Sciences Challenge for three years, Student Government Treasurer from 2011 to 2012, and a member of the Key Club from 2012 to 2013. Ranked 56 out of 240, Tanner spends part of her day at HACC taking college courses. A four year basketball player, she served as Captain the past two years. In addition to basketball, Tanner played Varsity Soccer for four years and also served as Captain for two of those years. When not playing on a school team, she played AAU Basketball and Elite Soccer teams. Tanner will attend Goldey-Beacom College in Wilmington, DE. Did we mention she was a *M&T Bank John Travers Award* nominee??? Each Travers nominee excels as an athlete, student, and member of the community at large.

CONGRATULATIONS STEVE and TANNER!

The Susquehanna Township High School Alumni Association, a Pennsylvania Non Profit Corporation, is pleased to announce that it has been granted **Federal IRS Tax Exempt status** as of March 2014.

Our journey to becoming a charitable organization began in February 2013. We created our rough draft in July 2013. With the assistance of local attorney Gary French of *Eckert Seamans*, our application was mailed to the IRS on September 12, 2013. Thank you Gary!

A lot of hard work went into preparing the application. It is 26 pages with several written attachment requirements. We also included newsletters, banquet programs, Memorial Gardens & Digital Sign photographs, as well as many other event and donation documents. Our hope was that these documents would provide an aid to the reviewer.

Then we waited...and waited....and waited.

After a few long months, a call was made to **Congressman Lou Barletta** who opened a Congressional Inquiry. We were contacted by the IRS shortly thereafter who stated that page 12 was not signed! Oops! Nothing else was missing....a rare feat! A quickly faxed signature page closed out the ONLY issue and our certification was completed the next day! **Thank you Congressman Barletta** and your Constituent Services administrator **Jodi Marsico!**

Here's what this means for our members and donors...

- Donors can deduct gifts to the Alumni Association on their federal and state income tax returns.
- For those who donate \$250 or more you will receive a written acknowledgment of your contribution in January of the following year to use with your tax filing.
- You will be included on the Donor Honor Roll list.

2014 Graduation Keynote Speaker

C.J. Skender '72, professor at the University of North Carolina Kenan-Flagler Business School, will speak at commencement on June 12, at the Forum in Harrisburg. Following graduation from STHS, he attended Lehigh University on a basketball scholarship and graduated magna cum laude in 1976.

C.J. taught classes at Duke while in graduate school, and after interviewing with accounting firms as he neared graduation, he decided to teach another year. Another year turned into two, and 28 plus years later he has yet to leave.

C.J. continues to teach at Duke and has taught at UNC since 1997. He has received multiple teaching awards at UNC's Kenan-Flagler Business School, Duke University's Fuqua School of Business and at North Carolina State University. He has educated thousands of students and executives and has taught all three of his children while they were students at UNC. His classes have also been highlighted in *businessweek.com*, *sportsillustrated.com* and *cnn.com*.

Do you have an alumni family member or friend currently serving in the military? Let us know. Please provide their STHS graduation year, Military Branch and Rank, if known. We'll acknowledge them in the newsletter.

Memorial Gardens

Our Vietnam Memorial project continues to make progress. We are requesting assistance from class representatives to provide the Memorial Committee names of any of their classmates that were in the service during the Vietnam War from 1961 to 1975. The criteria for their names to appear on the monument is that they attended STHS or lived in the township during their tour of duty.

We will shortly reach out to local businesses for their financial support. During our World War II and Korean War Memorial projects, many alumni made monetary contributions. Several of the donations were Class Gifts. Vietnam Veterans Of America Michael J Novosel Capital Area Chapter 542 has pledged their assistance to raise funds for the memorial. The estimated cost is \$30,000.

The Alumni Association and the Vietnam War Memorial Committee are pleased to have STHS art students working on the design of the memorial. Preliminary sketches have been reviewed with a follow-up meeting in late May before their summer break.

Our Korean War Memorial is waiting to be replaced. It has developed several cracks and will hopefully be replaced by the end of September. We will keep you updated on our progress. Thank you **Jeff Piccola '66** for your assistance!

Special Thanks to Robert Reichard, Recreation and Parks Director, Susquehanna Township Board of Commissioners, and the Highway Department who provides maintenance of the Memorial Gardens.
